**Re: Diamond Alkali Superfund Site, Lower 8.3 Miles of Lower Passaic River,
Essex and Hudson Counties, New Jersey
Notice of Potential Liability under 42 U.S.C. § 9607(a)**

Dear Ms. Di Forte:

We represent Benjamin Moore & Company ("BMC"). Please be advised that BMC is in receipt of the Notice of Potential Liability referenced above. Insofar as the Notice of Potential Liability was not issued in accordance with the "special notice" procedures of Section 122(e) of CERCLA, no response is required of BMC at this time.

On a going forward basis, please copy both me and David Mandelbaum (likewise with Greenberg Traurig) on any further communication to BMC from USEPA with respect to the Diamond Alkali Superfund Site.

Very truly yours,

Eric S. Aronson
